Specs/General Info:

Three selectable speed settings ECO (1500 RPM), CLEAN (2400 RPM), or BOOST (3250 RPM)
Programmable run times with 16- or 24-hour operating cycles
Compatible with SmartLife and TuyaSmart apps, manage your pool from anywhere
LED display shows speed, alerts, and error messages
Protects against voltage irregularities, overheating, overcurrent, freeze conditions
Premium stainless steel motor shaft and rugged, corrosion-resistant thermoplastic housing
High-quality mechanical seals for dependable operation
Includes 2" unions on suction and discharge ports for simple installation
Large strainer basket for less frequent cleaning, comes with a clear lid and easy-thread ring
Convenient drain plug for easier winterizing
115/230V convertible connection (wired at 230V, but will convert to the voltage it's connected to, no switch to change voltage)
Standard 6-foot cord included
